## Why ISR Insurance Matters in PNG

Papua New Guinea businesses operate in demanding conditions - remote locations, tropical storms, flooding, seismic activity, and critical infrastructure reliance.

Industrial Special Risks (ISR) Insurance provides comprehensive protection for large-scale assets and business income, helping organisations recover quickly after major insured events.

## What the Policy Covers – Property Damage

Protection for buildings, plant, machinery, stock, utilities, and infrastructure against sudden and accidental physical loss, including:

- Fire & explosion
- Cyclone, storm & flood
- Earthquake, volcanic eruption & tsunami
- Landslip & subsidence
- Riot & malicious damage
- Impact and water damage

## Business Interruption

Cover for financial loss following insured property damage, including:

- Loss of gross profit or revenue
- Fixed costs and standing charges
- Increased cost of working
- Claims preparation and accountant's fees

## Key Benefits for PNG Operations

- Broad "All Risks" style protection (subject to policy terms)
- Natural catastrophe extensions available

- Tailored limits and deductibles
- Cover for remote-location costs and alternative premises
- Local claims support backed by international reinsurers

## Optional Extensions

- Machinery Breakdown
- Boiler Explosion
- Deterioration of Stock
- Theft & Burglary
- Professional Fees & Debris Removal
- Public Authority Requirements
- etc...etc...

## Who Should Insure Under ISR?
